## Introduction

Please click on the "Consent Forms" tab at the top of this page, or the right arrow button to view consent forms for your children.

If the "Consent Forms" tab does not show your children, it may be because you are using an e-mail address that we do not have on file for you. Please be sure to use the e-mail address that you provided to the school when you registered your child.

3. Parents will see separate consents for Freshgrade, Google Apps for Education and MyBlueprint (if schools are using). A RED X indicates that consent hasn't been given. A GREEN ✓ indicates consent given. **There is a NEW separate consent form called "Online Learning Platforms Consent"** – This is the consent needed to use online tools hosted in the US such as Khan Academy, IXL, Raz Kids, Epic Books, etc. Where possible, please use usernames that are not identifiable (e.g., ab1234). **ONE consent covers ALL online learning tools.**
